SUPPLEMENTARY INFORMATION: Notice of this meeting is given under the Federal Advisory Committee Act, 5 U.S.C. Appendix . The Advisory Committee on Commercial Operations to U.S. Customs and Border Protection (COAC) provides advice to the Secretary of Homeland Security, the Secretary of the Treasury, and the Commissioner of U.S. Customs and

Border Protection (CBP) on matters pertaining to the commercial operations of CBP and related functions within Department of Homeland Security and the Department of the Treasury.

Agenda

The Advisory Committee on Commercial Operations to U.S. Customs and Border Protection (COAC) will hear from the following subcommittees on the topics listed below and then will review, deliberate, provide observations, and formulate recommendations on how to proceed on those topics:

1. The One U.S. Government Subcommittee will discuss the Automated Commercial Environment (ACE), Single Window working group recommendations and provide input on Trade Readiness and Partner Government Agencies' readiness for the upcoming November 1, 2015 ACE implementation of Single Window.
2. The Exports Subcommittee will address policy and a strategic approach regarding exports. The Option 4 and Air Manifest working groups will provide recommendations.
3. The Trade Enforcement and Revenue Collection Subcommittee will discuss the establishment of the 14th Term Antidumping and Countervailing Duty and Intellectual Property Rights working groups and provide recommendations.
4. The Trade Modernization Subcommittee will discuss operational uniformity of Centers of Excellence and Expertise (CEE) with a goal of developing recommendations for the creation of service levels for various Center activities. The subcommittee will report plans for engaging CBP on international trade agreements, simplification of CBP processes, the role of various international trade entities and the development of private and public sector trade expertise.

5. The Trusted Trader Subcommittee will start work once the Trusted Trader pilot has advanced to the implementation phase for testing CBP and Partner Government Agency trade benefits. The subcommittee will explore certifying trusted products through the supply chain.
6. The Global Supply Chain Subcommittee will discuss the feasibility, benefits and risks of using Electronic Cargo Security Devices. The subcommittee will report on long term development of recommendations regarding Customs and Border Protection's development of automation and regulations governing the commodities being moved by pipelines. Further discussion will involve the Customs - Trade Partnership Against Terrorism Program as it pertains to the ocean mode of transportation, results of various pre-inspection pilots at land ports of entry and the Air Cargo Advance Screening.
